## 2011 Annual General Meeting

### 3 course meal

### AGM

### After dinner speaker

#### Special guest speaker:

Dr Craig Williams:

#### Why do People Laugh when I say 'I Work on Mosquitoes' ??

**Craig is a senior lecturer in the School of Pharmacy & Medical Sciences at City East campus of UniSA, and also heads the Mosquitoes and Public Health Research Group within the Sansom Institute.**

**Research interests include the ecology of mosquitoes and the diseases they transmit. Member of a research group studying the vectors of dengue in north Queensland, and also researching the transmission of arboviruses in South Australia, such as Ross River virus.**

*Join us for an interesting and fascinating evening*
